

Local Government Reform – Summary of Proposed Reforms

Shire of Boyup Brook submission

10 February 2022

Shire of Boyup Brook supports the WALGA principles

Local Government Reform – WALGA Principles

That the following key principles be embodied in the Local Government Act:

1. Uphold the general competence principle currently embodied in the Local Government Act
2. Provide for a flexible, principles-based legislative framework
3. Promote a size and scale compliance regime
4. Promote enabling legislation that empowers Local Government to carry out activities beneficial to its community taking into consideration Local Governments' role in creating a sustainable and resilient community through:
 - i. Economic development
 - ii. Environmental protection, and
 - iii. Social advancement
5. Avoid red tape and 'de-clutter' the extensive regulatory regime that underpins the Local Government Act, and
6. The State Government must not assign legislative responsibilities to Local Governments unless there is provision for resources required to fulfil the responsibilities.

It is worth noting that of the above principles, items 1, 2, and 3 are addressed in these legislative reform proposals and principles 4 and 5 are partially addressed.

Theme 1: Early Intervention, Effective Regulation and Stronger Penalties

CURRENT PROVISIONS	PROPOSED REFORMS	SHIRE COMMENTS
1.1 Early Intervention Powers		
<ul style="list-style-type: none"> • The Act provides the means to regulate the conduct of local government staff and council members and sets out powers to scrutinise the affairs of local government. The Act provides certain limited powers to: <ul style="list-style-type: none"> ○ Suspend or dismiss councils ○ Appoint Commissioners ○ Suspend or, order remedial action (such as training) for individual councillors. • The Act also provides the Director General with the power to: <ul style="list-style-type: none"> ○ Conduct Authorised Inquiries ○ Refer allegations of serious or recurrent breaches to the State Administrative Tribunal ○ Commence prosecution for an offence under the Act. • Authorised Inquiries are a costly and a relatively slow response to significant issues. Authorised Inquiries 	<ul style="list-style-type: none"> • It is proposed to establish a Chief Inspector of Local Government (the Inspector), supported by an Office of the Local Government Inspector (the Inspectorate). • The Inspector would receive minor and serious complaints about elected members. • The Inspector would oversee complaints relating to local government CEOs. • Local Governments would still be responsible for dealing with minor behavioural complaints. • The Inspector would have powers of a standing inquiry, able to investigate and intervene in any local government where potential issues are identified. • The Inspector would have the authority to assess, triage, refer, investigate, or close complaints, having regard to various public interest criteria – considering laws such as the <i>Corruption, Crime and Misconduct Act 2003</i>, the <i>Occupational Safety and Health Act 1984</i>, the <i>Building Act 2011</i>, and other legislation. • The Inspector would have powers to implement minor penalties for less serious breaches of the Act, with an appeal mechanism. • The Inspector would also have the power to order a local government to address non-compliance with the Act or Regulations. • The Inspector would be supported by a panel of Local Government Monitors (see item 1.2). • The existing Local Government Standards Panel 	<p><u>Support WALGA’s Recommendation</u></p> <p>Recommendation</p> <ol style="list-style-type: none"> 1. Support the proposed reforms as they align with the sectors position on external oversight and support. 2. Request the Minister to explore alternate mechanisms for resolving local level complaints.

<p>are currently the only significant tool for addressing significant issues within a local government.</p> <ul style="list-style-type: none"> • The Panel Report, City of Perth Inquiry, and the Select Committee Report made various recommendations related to the establishment of a specific office for local government oversight. 	<p>would be replaced with a new Conduct Panel (see item 1.3).</p> <ul style="list-style-type: none"> • Penalties for breaches to the Local Government Act and Regulations will be reviewed and are proposed to be generally strengthened (see item 1.4). • These reforms would be supported by new powers to more quickly resolve issues within local government (see items 1.5 and 1.6). 	
<p>1.2 Local Government Monitors</p>		
<ul style="list-style-type: none"> • There are currently no legislative powers for the provision of monitors/temporary advisors. • The DLGSC provides 	<ul style="list-style-type: none"> • A panel of Local Government Monitors would be established. • Monitors could be appointed by the Inspector to go into a local government and try to resolve problems. 	<p>As above</p>

<p>support and advice to local governments, however there is no existing mechanism for pre-qualified, specialised assistance to manage complex cases.</p>	<ul style="list-style-type: none"> • The purpose of Monitors would be to proactively fix problems, rather than to identify blame or collect evidence. • Monitors would be qualified specialists, such as: <ul style="list-style-type: none"> ○ Experienced and respected former Mayors, Presidents, and CEOs - to act as mentors and facilitators ○ Dispute resolution experts - to address the breakdown of professional working relationships ○ Certified Practising Accountants and other financial specialists - to assist with financial management and reporting issues ○ Governance specialists and lawyers - to assist councils resolve legal issues ○ HR and procurement experts - to help with processes like recruiting a CEO or undertaking a major land transaction. • Only the Inspector would have the power to appoint Monitors. • Local governments would be able to make requests to the Inspector to appoint Monitors for a specific purpose. <p>Monitor Case Study 1 – Financial Management</p> <p>The Inspector receives information that a local government is not collecting rates correctly under the <i>Local Government Act 1995</i>. Upon initial review, the Inspector identifies that there may be a problem. The Inspector appoints a Monitor who specialises in financial management in local government. The Monitor visits the local government and identifies that the system used to manage rates is not correctly issuing rates notices. The Monitor works with the local</p>

	<p>government to rectify the error, and issue corrections to impacted ratepayers.</p> <p>Monitor Case Study 2 – Dispute Resolution</p> <p>The Inspector receives a complaint from one councillor that another councillor is repeatedly publishing derogatory personal attacks against another councillor on social media, and that the issue has not been able to be resolved at the local government level. The Inspector identifies that there has been a relationship breakdown between the two councillors due to a disagreement on council.</p> <p>The Inspector appoints a Monitor to host mediation sessions between the councillors. The Monitor works with the councillors to address the dispute. Through regular meetings, the councillors agree to a working relationship based on the council’s code of conduct. After the mediation, the Monitor occasionally makes contact with both councillors to ensure there is a cordial working relationship between the councillors.</p>	
1.3 Conduct Panel		
<ul style="list-style-type: none"> • The Local Government Standards Panel was established in 2007 to resolve minor breach complaints relatively quickly and provide the sector with guidance and benchmarks about acceptable standards of behaviour. • Currently, the Panel makes findings about alleged 	<ul style="list-style-type: none"> • The Standards Panel is proposed to be replaced with a new Local Government Conduct Panel. • The Conduct Panel would be comprised of suitably qualified and experienced professionals. Sitting councillors will not be eligible to serve on the Conduct Panel. • The Inspector would provide evidence to the Conduct Panel for adjudication. • The Conduct Panel would have powers to impose stronger penalties – potentially including being able to suspend councillors for up to three months, 	<p>As above</p>

<p>breaches based on written submissions.</p> <ul style="list-style-type: none"> The City of Perth Inquiry report made various recommendations that functions of the Local Government Standards Panel be reformed. 	<p>with an appeal mechanism.</p> <ul style="list-style-type: none"> For very serious or repeated breaches of the Local Government Act, the Conduct Panel would have the power to recommend prosecution through the courts. Any person who is subject to a complaint before the Conduct Panel would have the right to address the Conduct Panel before the Panel makes a decision. 	
<p>1.4 Review of Penalties</p>		
<ul style="list-style-type: none"> There are currently limited penalties in the Act for certain types of non-compliance with the Local Government Act. 	<ul style="list-style-type: none"> Penalties for breaching the Local Government Act are proposed to be strengthened. It is proposed that the suspension of councillors (for up to three months) is established as the main penalty where a councillor breaches the Local Government Act or Regulations on more than one occasion. Councillors who are disqualified would not be eligible for sitting fees or allowances. They will also not be able to attend meetings, or use their official office (such as their title or council email address). It is proposed that a councillor who is suspended multiple times may become disqualified from office. Councillors who do not complete mandatory training within a certain timeframe will also not be able to receive sitting fees or allowances. 	<p><u>Support WALGA's Current Local Government Position</u></p> <p>Items 1.4 and 1.5 <u>expand upon</u> Advocacy Position 2.6.9 - 'Stand Down Proposal'</p> <p><i>WALGA supports, in principle, a proposal for an individual elected member to be 'stood down' from their duties when they are under investigation, have been charged, or when their continued presence prevents Council from properly discharging its functions or affects the Council's reputation, subject to further policy development work being undertaken. Further policy development of the Stand Down Provisions must involve active consultation with WALGA and specific consideration of the following issues of concern to the Sector:</i></p> <ol style="list-style-type: none"> <i>That the Department of Local Government endeavour to ensure established principles of natural justice and procedural fairness are embodied in all aspects of the proposed Stand Down Provisions; and</i> <p><i>That activities associated with the term 'disruptive behaviour', presented as reason to stand down a defined Elected Member on the basis their continued presence may make a Council unworkable, are thoroughly examined and clearly identified to ensure there is awareness,</i></p>

CURRENT PROVISIONS	PROPOSED REFORMS	SHIRE COMMENTS
1.5 Rapid Red Card Resolutions		
<ul style="list-style-type: none"> • Currently, local governments have different local laws and standing orders that govern the way meetings run. Presiding members (Mayors and Presidents) are reliant on the powers provided in the local government standing orders local laws. • Differences between local governments is a source of confusion about the powers that presiding members have to deal with disruptive behaviours at council 	<ul style="list-style-type: none"> • It is proposed that Standing Orders are made consistent across Western Australia (see item 2.6). Published recordings of all meetings would also become standard (item 3.1). • It is proposed that Presiding Members have the power to “red card” any attendee (including councillors) who unreasonably and repeatedly interrupt council meetings. This power would: <ul style="list-style-type: none"> ○ Require the Presiding Member to issue a clear first warning ○ If the disruptions continue, the Presiding Member will have the power to “red card” that person, who must be silent for the rest of the meeting. A councillor issued with a red card will still vote, but must not speak or move motions 	<p>As above</p>

<p>meetings.</p> <ul style="list-style-type: none"> Disruptive behaviour at council meetings is a very common cause of complaints. Having the Presiding Member be able to deal with these problems should more quickly resolve problems that occur at council meetings. 	<ul style="list-style-type: none"> If the person continues to be disruptive, the Presiding Member can instruct that they leave the meeting. Any Presiding Member who uses the “red card” or ejection power will be required to notify the Inspector. Where an elected member refuses to comply with an instruction to be silent or leave, or where it can be demonstrated that the presiding member has not followed the law in using these powers, penalties can be imposed through a review by the Inspector. 	
<p>1.6 Vexatious Complaint Referrals</p>		
<ul style="list-style-type: none"> No current provisions. The Act already provides a requirement for Public Question Time at council meetings. 	<ul style="list-style-type: none"> Local governments already have a general responsibility to provide ratepayers and members of the public with assistance in responding to queries about the local government’s operations. Local governments should resolve queries and complaints in a respectful, transparent and equitable manner. Unfortunately, local government resources can become unreasonably diverted when a person makes repeated vexatious queries, especially after a local government has already provided a substantial response to the person’s query. It is proposed that if a person makes repeated complaints to a local government CEO that are vexatious, the CEO will have the power to refer that person’s complaints to the Inspectorate, which after assessment of the facts may then rule the complaint vexatious. 	<p><u>Support WALGA’s current Local Government Position</u></p> <p><i>Item 1.6 expands upon Advocacy Position</i></p> <p><i>2.6.11 – ‘Vexatious complainants in relation to FOI applications’</i></p> <p><i>WALGA advocates for the Freedom of Information Act 1992 (WA) to be reviewed, including consideration of:</i></p> <ol style="list-style-type: none"> <i>Enabling the Information Commissioner to declare vexatious applicants similar to the provisions of section 114 of the Right to Information Act 2009 (QLD);</i> <i>Enabling an agency to recover reasonable costs incurred through the processing of a Freedom of Information access application where the application is subsequently withdrawn; and</i> <i>Modernisation to address the use of electronic communications and information.</i> <p><i>WALGA Comment</i></p> <p><i>The Act has been expanded significantly in recent years to permit an increased level of public involvement, scrutiny and access to information relating to the decisions, operations and affairs of Local Government in WA. 1.7 Minor Other Reforms		
<ul style="list-style-type: none"> Other minor reforms are being considered to enhance the oversight of local government. Ministerial Circulars have traditionally been used to provide guidance to the local government sector. 	<ul style="list-style-type: none"> Potential other reforms to strengthen guidance for local governments are being considered. For example, one option being considered is the potential use of sector-wide guidance notices. Guidance notices could be published by the Minister or Inspector, to give specific direction for how local governments should meet the requirements of the Local Government Act and Regulations. For instance, the Minister could publish guidance notices to clarify the process for how potential conflicts of interests should be managed. It is also proposed (see item 1.1) that the Inspector has the power to issue notices to individual local governments to require them to rectify non-compliance with the Act or Regulations. 	<p><u>Support WALGA’s current Local Government Position</u></p> <p>Item 1.7 aligns with Advocacy Position 2.6 - ‘Support DLGSC as service provider / capacity builder’ WALGA supports the continuance of the Department of Local Government, Sport and Cultural Industries as a direct service provider of compliance and recommend the Department fund its capacity building role through the utilisation of third party service providers. In addition, WALGA calls on the State Government to ensure there is proper resourcing of the Department of Local Government, Sport and Cultural Industries to conduct timely inquiries and interventions when instigated under the provisions of the Local Government Act 1995.</p> <p>WALGA Comment Operational guidance from the Department of Local Government, Sport and Cultural Industries leads to consistent understanding and application of statutory provisions by Local Government. The proposed reform that the Inspector issue non-compliance notices appears to replicate the Minister’s powers under Section 9.14A – ‘Notice to prevent continuing contravention’</p>

Theme 2: Reducing Red Tape, Increasing Consistency and Simplicity

CURRENT REQUIREMENTS	PROPOSED REFORMS	SHIRE COMMENTS
2.1 Resource Sharing		
<ul style="list-style-type: none"> The Act does not currently include specific provisions to allow for certain types of resource sharing – especially for sharing CEOs. Regional local governments would benefit from having clearer mechanisms for voluntary resource-sharing. 	<ul style="list-style-type: none"> Amendments are proposed to encourage and enable local governments, especially smaller regional local governments, to share resources, including Chief Executive Officers and senior employees. Local governments in bands 2, 3 or 4 would be able to appoint a shared CEO at up to two salary bands above the highest band. For example, a band 3 and a band 4 council sharing a CEO could remunerate to the level of band 1. 	<p><u>Support WALGA’s current Local Government Position</u></p> <p>Item 2.1 aligns with Advocacy Position 2.6 – Local Government Legislation – ‘Avoid red tape and ‘de-clutter’ the extensive regulatory regime that underpins the Local Government Act’ and Advocacy Position 2.3.1 - ‘Regional Collaboration’.</p> <p>Local Governments should be empowered to form single and joint subsidiaries, and beneficial enterprises. In addition, compliance requirements of Regional Councils should be reviewed and reduced.</p> <p>WALGA Comment</p> <p>The proposed reforms will rely upon statutory provisions that enable and enhance regional collaboration. Recent over-regulation of Regional Subsidiaries in 2016 resulted in no subsidiaries being formed since that time.</p>
2.2 Standardisation of Crossovers		
<ul style="list-style-type: none"> Approvals and standards for crossovers (the section of driveways that run between the kerb and private property) are 	<ul style="list-style-type: none"> It is proposed to amend the <i>Local Government (Uniform Local Provisions) Regulations 1996</i> to standardise the process for approving crossovers for 	<p><u>Administration Recommendation</u> – Not Supported.</p> <p>Whilst the standardisation of crossovers may work in metropolitan areas, it is considered that the standard proposed will not work in regional areas as there are:</p> <ul style="list-style-type: none"> Limited resources in overseeing crossover works/enforcing compliance. Dramatic difference in verge sizes and standards.

Local Government Reform – Consultation on Proposed Reforms

<p>inconsistent between local government areas, often with very minor differences.</p> <ul style="list-style-type: none"> • This can create confusion and complexity for homeowners and small businesses in the construction sector. 	<p>residential properties and residential developments on local roads.</p> <ul style="list-style-type: none"> • A Crossover Working Group has provided preliminary advice to the Minister and DLGSC to inform this. • The DLGSC will work with the sector to develop standardised design and construction standards. 	
<p>2.3 Introduce Innovation Provisions</p>		
<ul style="list-style-type: none"> • The <i>Local Government Act 1995</i> currently has very limited provisions to allow for innovations and responses to emergencies to (such as the Shire of Bruce Rock Supermarket). 	<ul style="list-style-type: none"> • New provisions are proposed to allow exemptions from certain requirements of the <i>Local Government Act 1995</i>, for: <ul style="list-style-type: none"> ○ Short-term trials and pilot projects ○ Urgent responses to emergencies. 	<p>Support WALGA’s current Local Government Position</p> <p>WALGA Comment It is arguable communities expect all levels of Government will apply innovative solutions to complex and emerging issues difficult to resolve by traditional means. Exemptions constructed with appropriate checks and balances, particularly where expenditure of public funds are concerned, has potential to facilitate efficient and effective outcomes.</p>
<p>2.4 Streamline Local Laws</p>		
<ul style="list-style-type: none"> • Local laws are required to be reviewed every eight years. • The review of local laws (especially when they are 	<ul style="list-style-type: none"> • It is proposed that local laws would only need to be reviewed by the local government every 15 years. • Local laws not reviewed in the timeframe 	<p>Support WALGA’s current Local Government Position</p> <p>Items 2.4, 2.5 and 2.6 expand upon Advocacy Position 2.6.35 - ‘Local law- making process should be simplified’.</p>

Local Governments, by administering local laws, will determine when it is necessary to amend or revoke a local law; and • Introduce certification of local laws by a legal practitioner in place of scrutiny by Parliament’s Delegated Legislation Committee. <p>WALGA Comment</p> <p>Proposed reforms meet the Sector’s preference for simplified local law-making processes. Model local laws are supported, whilst recognising the models themselves will require review by State Government departments with the relevant head of power. For example, the Model Local Law (Standing Orders) 1998 formed the basis of many Local Government meeting procedures local laws but no review was completed. This model was superseded by individual local laws with added contemporary provisions.</p> <p>This pattern will repeat itself if model local laws are not reviewed to remain contemporary to the Sector’s requirements.</p>

2.5 Simplifying Approvals for Small Business and Community Events		
<ul style="list-style-type: none"> • Inconsistency between local laws and approvals processes for events, street activation, and initiatives by local businesses is frustrating for business and local communities. 	<ul style="list-style-type: none"> • Proposed reforms would introduce greater consistency for approvals for: <ul style="list-style-type: none"> ○ alfresco and outdoor dining ○ minor small business signage rules ○ running community events. 	As above
2.6 Standardised Meeting Procedures, Including Public Question Time		
<ul style="list-style-type: none"> • Local governments currently prepare individual standing order local laws. • The <i>Local Government Act 1995</i> and regulations require local governments to allocate time at meetings for questions from the public. • Inconsistency among the meeting procedures between local governments is a common source of complaints. 	<ul style="list-style-type: none"> • To provide greater clarity for ratepayers and applicants for decisions made by council, it is proposed that the meeting procedures and standing orders for all local government meetings, including for public question time, are standardised across the State. • Regulations would introduce standard requirements for public question time, and the procedures for meetings generally. • Members of the public across all local governments would have the same opportunities to address council and ask questions. 	As above

2.7 Regional Subsidiaries		
<ul style="list-style-type: none"> • Initiatives by multiple local governments may be managed through formal Regional Councils, or through less formal “organisations of councils”, such as NEWROC and WESROC. • These initiatives typically have to be managed by a lead local government. • In 2016-17, provisions were introduced to allow for the formation of Regional Subsidiaries. Regional Subsidiaries can be formed in line with the <i>Local Government (Regional Subsidiaries) Regulations 2017</i>. • So far, no Regional Subsidiary has been formed. 	<ul style="list-style-type: none"> • Work is continuing to consider how Regional Subsidiaries can be best established to: <ul style="list-style-type: none"> ○ Enable Regional Subsidiaries to provide a clear and defined public benefit for people within member local governments ○ Provide for flexibility and innovation while ensuring appropriate transparency and accountability of ratepayer funds ○ Where appropriate, facilitate financing of initiatives by Regional Subsidiaries within a reasonable and defined limit of risk ○ Ensure all employees of a Regional Subsidiary have the same employment conditions as those directly employed by member local governments. 	<p><u>Support WALGA’s current Local Government Position</u></p> <p>Item 2.7 aligns with Advocacy Position 2.3.1 - ‘Regional Collaboration’</p> <p>Local Governments should be empowered to form single and joint subsidiaries, and beneficial enterprises. In addition, compliance requirements of Regional Councils should be reviewed and reduced.</p> <p>Comment</p> <p>Under the Regional Subsidiary model, two or more Local Governments are able to establish a regional subsidiary to undertake a shared service function on behalf of its constituent Local Governments. The model provides increased flexibility when compared to the Regional Local Government model because regional subsidiaries are primarily governed and regulated by a charter rather than legislation. While the regional subsidiary model’s governance structure is primarily representative, the model also allows independent and commercial focussed directions to be appointed to the board of management. A key advantage of the regional subsidiary model is the use of a charter, as opposed to legislation, as the primary governance and regulatory instrument. Accordingly, the legislative provisions governing the establishment of regional subsidiaries should be light, leaving most of the regulation to the regional subsidiary charter, which can be adapted to suit the specific circumstances of each regional subsidiary.</p>

3.1 Recordings and Live-Streaming of All Council Meetings		
<ul style="list-style-type: none"> • Currently, local governments are only required to make written minutes of meetings. • While there is no legal requirement for livestreaming or video or audio recording of council meetings, many local governments now stream and record their meetings. • Complaints relating to behaviours and decisions at meetings constitute a large proportion of 	<ul style="list-style-type: none"> • It is proposed that all local governments will be required to record meetings. • Band 1 and 2 local governments would be required to livestream meetings and make video recordings available as public archives. • Band 1 and 2 are larger local governments are generally located in larger urban areas, with generally very good telecommunications 	<p><u>Support WALGA’s current Local Government Position</u></p> <p>Item 3.1 expands upon Advocacy Position 2.6 – ‘Promote a size and scale compliance regime’ and Advocacy Position 2.6.31 - ‘Attendance at Council Meetings by Technology’</p> <p>A review of the ability of Elected Members to log into Council meetings should be undertaken.</p>

These local governments would still be encouraged to livestream or video record meetings. • All council meeting recordings would need to be published at the same time as the meeting minutes. Recordings of all confidential items would also need to be submitted to the DLGSC for archiving. 	<p>Local Governments introducing electronic meeting procedures and the means for remote public attendance in response to the COVID-19 pandemic led to a swift uptake of streaming Council meetings. 3.2 Recording All Votes in Council Minutes		
<ul style="list-style-type: none"> A local government is only required to record which councillor voted for or against a motion in the minutes of that meeting if a request is made by an elected member at the time of the resolution during the meeting. The existing provision does not mandate transparency. 	<ul style="list-style-type: none"> To support the transparency of decision-making by councillors, it is proposed that the individual votes cast by all councillors for all council resolutions would be required to be published in the council minutes, and identify those for, against, on leave, absent or who left the chamber. It is proposed to make the Act more specific in prescribing items that may be confidential, and items that should remain open to the public. Items not prescribed as being confidential could still be held as confidential items only with the prior written consent of the Inspector. 4.3 Introduction of Preferential Voting		
<ul style="list-style-type: none"> The current voting method for local government elections is first past the post. The existing first-past-the-post does not allow for electors to express more than one preference. The candidate with the most votes wins, even if that candidate does not have a majority. Preferential voting better captures the precise intentions of voters and as a result may be regarded as a fairer and more representative system. Voters have more specific choice. 	<ul style="list-style-type: none"> Preferential voting is proposed to be adopted as the method to replace the current first past the post system in local government elections. In preferential voting, voters number candidates in order of their preferences. Preferential voting is used in State and Federal elections in Western Australia (and in other states). This provides voters with more choice and control over who they elect. All other states use a form of preferential voting for local government. 	<p><u>Support WALGA’s current Local Government Position</u></p> <p>Item 4.3 does not align with Advocacy Position 2.5.1 – ‘First Past the Post voting system’</p> <p>The Local Government sector supports:</p> <ol style="list-style-type: none"> Four year terms with a two year spill Greater participation in Local Government elections The option to hold elections through: <ul style="list-style-type: none"> Online Postal voting, and In-person voting Voting at Local Government elections to be voluntary The first past the post method of counting votes <p>WALGA Comment</p> <p>It should be noted that the sector’s advocacy voting against compulsory voting and “All in All out” 4 year terms has been successful and these items are not included in the reform proposals.</p> <p>The introduction of preferential voting will be a return to the system of voting prior to the Local Government Act 1995. Preferential voting is time consuming to count. Easily understood. Removes politics out of campaigning. Preferential will encourage alliances formed for the distribution of preferences and party politics into local government. <p>Preferential voting allows election rigging through alliances or ‘dummy’ candidates.</p> <p>In a preferential system, the person that receives the highest number of first preference votes does not necessarily get elected.’</p>

Local Government Reform – Consultation on Proposed Reforms

		<p>Comments in support of replacing first past the post include: Preferential voting is more democratic and removes an area of confusion. Preferential voting ensures that the most popular candidates are elected who best reflect the will of the voters. Preferential system should be introduced. In FPP elections, candidates work together to get votes for each other. Preferential would make it more difficult for this practice to take place.</p> <ul style="list-style-type: none">• FPP does not adequately reflect the wishes of electors when there are three candidates or more.• FPP is unsuitable when there is more than one vacancy.• Allows for a great representation from a range of interested groups and prevents domination of elections by mainstream party politics.'

6.6 Audit Committees		
<ul style="list-style-type: none"> Local governments must establish an Audit Committee that has three or more persons, with the majority to be council members. The Audit Committee is to guide and assist the local government in carrying out the local government's functions in relation to audits conducted under the Act. The Panel Report identified that Audit Committees should be expanded, including to provide improved risk management. 	<ul style="list-style-type: none"> To ensure independent oversight, it is proposed the Chair of any Audit Committee be required to be an independent person who is not on council or an employee of the local government. Audit Committees would also need to consider proactive risk management. To reduce costs, it is proposed that local governments should be able to establish shared Regional Audit Committees. The Committees would be able to include council members but would be required to include a majority of independent members and an independent chairperson. 	<p><u>Administration Recommendation</u></p> <ul style="list-style-type: none"> - Not supported. <p>That Council support the Audit Committee of Local Government with an Elected Member majority including independent members, and to consider proactive risk management issues.</p>

<p>6.7 Building Upgrade Finance</p>		
<ul style="list-style-type: none"> The local government sector has sought reforms that would enable local governments to provide loans to property owners to finance for building improvements. This is not currently provided for under the Act. The Local Government Panel Report included this recommendation. 	<ul style="list-style-type: none"> Reforms would allow local governments to provide loans to third parties for specific building improvements - such as cladding, heritage and green energy fixtures. This would allow local governments to lend funds to improve buildings within their district. Limits and checks and balances would be established to ensure that financial risks are proactively managed. 	<p><u>Support WALGA’s current Local Government Position</u></p> <p>WALGA Comment Building Upgrade Finance would enable Local Governments to guarantee finance for building upgrades for non- residential property owners. In addition to building upgrades to achieve environmental outcomes, Local Governments have identified an opportunity to use this approach to finance general upgrades to increase the commercial appeal of buildings for potential tenants. In this way, BUF is viewed as a means to encourage economic investment to meet the challenges of a soft commercial lease market and achieve economic growth.</p>

6.8 Cost of Waste Service to be Specified on Rates Notices		
<ul style="list-style-type: none"> No requirement for separation of waste charges on rates notice. Disclosure will increase ratepayer awareness of waste costs. The Review Panel Report included this recommendation. 	<ul style="list-style-type: none"> It is proposed that waste charges are required to be separately shown on rate notices (for all properties which receive a waste service). This would provide transparency and awareness of costs for ratepayers. 	<p><u>Administration Recommendation - Supported</u></p> <p>Already undertaken by the Shire of Boyup Brook</p>
