My thoughts on: Transition pet shops to adoption centres (can only sell dogs sourced from rescues).	I don't believe in selling animals in Pet shops.
My thoughts on: Introduce mandatory dog de-sexing.	Dogs should only be sterilised at the time & age suitable and circumstances with advice from reputable sources ie. a responsible breeder & vet.
My thoughts on: Introduce a centralised registration system to identify every dog and puppy.	Not necessary as the local Shires do this already.
My thoughts on: Introduce mandatory standards for dog breeding, housing, husbandry, transport and sale.	Dogs West members already have their own comprehensive regulations and a Code of Ethics.
