<i>My thoughts on:</i> <b>Transition pet shops to adoption centres (can only sell dogs sourced from rescues).</b>	Pet shops should not sell dogs period. They sell for financial gain and animals are often purchased on impulse which is not in the animals interest.
<i>My thoughts on:</i> <b>Introduce mandatory dog de-sexing.</b>	This proposal is abhorrent. It ignores the long term health and welfare of the dog.
<i>My thoughts on:</i> <b>Introduce a centralised registration system and Council registration to be a Breeder.</b>	All registrations should be done by Dogs West and by the local Government. Authority representing for the area the animals live in only.
<i>My thoughts on:</i> <b>Introduce mandatory standards for dog breeding, housing, husbandry, transport and sale.</b>	NO — Keep the Bureaucrats out of breeding & dog welfare.
