			1 to 1			1 to 1

- The game shall be played with two identical dice with the faces marked with the numbers 1 to 6.
- The game shall be controlled by a dealer who is not permitted to wager.
- No person other than the dealer shall throw the dice or activate the dice cage.
- If any of the two dice fail to come to rest with one surface flat to the base of the dice cage or flat on the layout mat the dealer shall call "No Spin/Throw".
- If the dealer calls "No Spin/Throw" all wagers shall be void on that spin.
- The minimum and maximum wagers shall be prominently displayed on a sign at the table.
- The winning number shall be the cumulative total of the uppermost surface of the two dice.
- Wagers defined in this rule shall be the permissible wagers by a player at the game of Dicette:-
 - "**One number**" shall win if a single number from 2 to 12 is wagered and the number is the winning number.
 - "**Horizontal Column**" which shall win if the winning number is one of the numbers in the column wagered.
 - "**Vertical Column**" which shall win if the winning number is one of the numbers in the column wagered.
 - "**Field 2 - 6**" which shall win if the winning number is one of the numbers in that field.
 - "**Field 8 - 12**" which shall win if the winning number is one of the numbers in that field.
 - "**Red**" which shall win if the winning number is represented by the colour red on the layout mat.
 - "**Black**" which shall win if the winning number is represented by the colour black on the layout mat.
- If number 7 is the winning number all wagers other than those on "7" lose.
