

**Liquor Commission of Western Australia
(Liquor Control Act 1988)**

REASONS FOR DETERMINATION OF MS MARA BARONE SC (MEMBER)

I disagree that the Applicant's application to vary the existing 'entertainment condition' relating to The Sixty30 should be refused. In light of the determination and reasons provided by the other presiding members in this matter it is unnecessary to set out in detail my dissenting view save to indicate that I would have found that the Applicant established it was in the public interest to grant to the application.
